

How to fix Calendar Plus "color printing" issue?

Summary

This article outlines the steps on how to fix Calendar Plus "Cannot print in color" issue

Product & Version

KWizCom Calendar Plus Standard Evaluation 4.x.xx for SharePoint 2007

KWizCom Calendar Plus Standard Evaluation 14.x.xx for SharePoint 2010

Resolution

This behavior can occur is because the "**Print background colors and images Option**" is not turned on by default in the Internet Explorer.

To resolve this behavior, turn on the "Print background colors and images option" in Internet Explorer.

To do this, follow these steps:

1. On the Tools menu, click Internet Options, and then click the Advanced tab.
2. In the Settings box, under Printing, click to select the Print background colors and images check box, and then click OK.
